KVTA Youth Theater Camp is a summer camp experience for 8-12 year olds interested in musical theater. The experience consists of preparing, auditioning, rehearsing, and performing a musical. The program relies on high school interns who take on the musical's production roles. This applicant is applying for the position of \_\_\_\_\_.

Each high school intern will be assigned an adult mentor who is familiar with their particular aspect of production. With the help of their mentor, the intern will learn what it takes to put on a high quality performance. Additionally, depending on their production role, the student may be required to coordinate a crew of workers. The purpose of the internship aspect of this production is to facilitate an experience in which students can learn the skills necessary to become highly qualified leaders in the theater arts. Please assess the applicant on her/his ability and readiness to thrive and to manage the demands of an internship in our production. Your time and effort is greatly appreciated and very helpful to us. You may answer the following questions on a separate sheet of paper if it is more convenient.

**Why would you nominate/recommend this applicant?**

Can this person be counted on to follow through on significant commitments?
