If you feel the production for which you are applying would be better suited for a different venue, please feel free to include this information in your application. The Board of Directors is always interested in hearing your ideas. All productions are eligible to have performances added. Please be sure you are available for all of the performance dates listed before applying. If you are not available for a specific date, please include that information in your application.

PLEASE READ THESE IMPORTANT NOTES BEFORE SUBMITTING YOUR APPLICATION:

- The Kankakee Valley Theatre Association's Board of Directors **reserves the right to not select an individual for the position of Director for any given production from the applications received.** If no decision is reached for a specific production, the application process may be reopened or a new production may be selected.
- **Be sure to read and agree to the Kankakee Valley Theatre Association Policies included on our website at www.kvta.org. A signed Policy Acknowledgement Form must be returned with your Director Application.**
- Director Eligibility: In order to be eligible to direct a KVTA production, an individual must have previously been involved in a minimum of three KVTA productions or events.
- Anyone applying to direct must be willing to make changes in the script, set, etc. if the KVTA Board of Directors deems it necessary.
- KVTA participates in many promotional events including festivals, markets, parades, etc. throughout the season. We expect our Directors, and their Staff members, to volunteer at these events to advertise our upcoming season.
- KVTA may decide to use performance tracks in lieu of a live orchestra for musical productions.
- In addition to Cast members, all Directors and Staff members receiving stipends must be a paid member of KVTA at some level before their production begins.
- The productions listed above may be changed at any time by the KVTA Board or the licensing company due to licensing issues, venue changes, school conflicts, etc. If a production is changed, the application process for Directors for the new production would start over. The individual who was selected to direct a production that is changed would also have to reapply for the new production.

Please feel free to contact any KVTA Board Member should you have any questions.

Respectfully,
The Kankakee Valley Theatre Association Board of Directors

PRESIDENT, Courtney Stephens
