### **CONTINUED IMPROVEMENTS FOR THE 2025-2026 SEASON!**

You can now order your Subscription flex pass tickets online without needing to call the Box Office! Through our ticket vendor, Ludus, after you purchase your Subscription, you can use your unique code to unlock your benefits and select your seats in the preferred Subscriber Only section. Please feel free to call or email us if you have any questions while completing your order.

We are also eliminating the need for you to remember your Stage Door Lounge\* passes when you come to the theatre! Instead, you will check in at the Subscriber check-in table on the day of your performance. When you check-in, you will tell the KVTA Board Member working the table the number of Stage Door Lounge passes you wish to use on the day of that performance. For Example: John Doe is a patron level Subscriber and receives 10 passes into the Stage Door Lounge. He is attending *Urinetown* on September 12 with 1 of his friends. John will check-in at the Subscriber check-in table and request 2 passes to the Stage Door Lounge for September 12. He would then have 8 passes into the Stage Door Lounge remaining for the rest of the season.

**\* Please Note: The Stage Door Lounge availability for the 2025-2026 Season is subject to change at any time and is not a guarantee.**

#### **TICKET EXCHANGES:**

- Tickets may be exchanged up to two (2) times **PER SEASON** per Subscription. The ticket exchange fee will be \$3 per ticket. No further exchanges will be processed after the second time for the remainder of the Season. If you are unsure of how many will be attending in your party or what date they can all attend, we suggest you wait and get your tickets at the door the day of the performance so you don't run the risk of exceeding your exchange limit or being required to pay the exchange fee. Subscribers can use their flex pass tickets at the door.
